Our Story

DESSERTS ARE NO LONGER AN AFTERTHOUGHT, THEY ARE A DESTINATION AND THE VENUE IS HAUTE DOLCI.

You've arrived here because you deserve to be treated. We conjure up works of edible art which reward you with feel-good sensations, leaving you smiling inside and out. It's really quite common to be caught in a daydream between spoonfuls (we call it the Dolci daze - a temporary state of bliss which can only be repeated with another bite).

Your journey starts before you've sat down as you stare in awe around our magnificent, opulent Haute Dolci stores. Just like our patissiers masterfully pour their ingredients together for you to indulge and engage, we always take our sweet time designing the scenery and the stage on which they perform and in which you have the best seat in the house.

All our guests fall in love with Haute Dolci at first sight and then at first bite. Once our artisanal arrow has struck, returning for more is simply irresistible. Our regulars (who call us HD for short) will tell you that this is not a shop, but a show which tingles your imagination, charms all your senses and serenades you with delicious decadence. What we bring to your table is something more precious than anything you've previously tried.

That's why people make room for average desserts, but they make time for Haute Dolci.
